Facade insulation

Insulation of the exterior facade

Is cavity wall insulation not possible? Then insulating the exterior facade is a strong alternative. We insulate your facade on the outside, so the wall stays warm, comfort rises and your energy bill falls.

500+	Free	ISDE
homes insulated	no-obligation quote	help with your subsidy application

Benefits

- \+ Strongly reduces heat loss through the facade
- \+ Better living comfort and fewer cold walls
- \+ No work indoors
- \+ A new, fresh look for your home
- \+ Advice beforehand on system and finish
- \+ Possibly also suitable when cavity wall insulation is not an option

Good to know

- ! Higher investment than cavity wall insulation
- ! The appearance of your facade changes
- ! Depending on the municipality a permit may be required
- ! We advise you on this beforehand

Subsidy (ISDE)

Facade insulation may qualify for ISDE subsidy, depending on your situation. We are happy to help with your ISDE subsidy application. Whether you qualify depends on your situation and the current conditions.

How we work

1	We survey your facade and discuss options and finishing with you
2	You receive a quote with material, method and price
3	We carry out the work neatly and tidy up

No rights can be derived from this information. The final specification, thickness and price are stated in your quote.
